Dear Hastings Soccer Club Parents:

The deadline to register for the Spring 2010 session is **December 20th**. You should receive a registration form around the first week in December if you have recently registered with the club. If not, download a form from the Hastings Soccer Club website listed at the bottom of this page. Fill it out and return it with the appropriate fee (and birth certificate and photo if required) to:

John Van Brocklin
1609 N Highland Road
Hastings, NE

463-3436
jjvb@windstream.net

The table below shows what must be included with your registration.

The registration deadline is December 20th. Registrations must be **received** by the deadline. The club has a deadline for registering teams with the state and that task is very difficult if we don't know how many players will sign up. Please help us make team formation an easier task and register before the deadline. The following table shows what is required with your registration form.

Notice that we now have a tiered fee. **There is a $10 surcharge if your registration is not received by the deadline.** No exceptions! Your registration will not be processed unless the appropriate payment is included.

	Session	Completed Registration Form	Birth Certificate	Photo	Payment[A]
First Time Club Member	Fall or Spring	Yes	Yes	Yes	$65 (before deadline) $75 (after deadline)
Previous Club Member	Fall	Yes	No	Yes	
	Spring (did not play in the Fall)	Yes	No	Yes	
	Spring (played in the Fall)	Yes	No	No	$50 (before deadline) $60 (after deadline)

[A] Includes the $15 annual club membership (if required) and the session fee. The membership fee covers state league registration and player insurance.

Referral Reward

If you are currently registered with the soccer club and if a player that has never previously been a member registers and uses you as a reference, you will receive a $15 referral reward. Existing club members are our best recruiters and we appreciate your efforts.

If you need additional information or have questions about registration, please call John Van Brocklin at 463-3436 (jjvb@windstream.net). If you know of any new members to the community or someone who would like to play club soccer, please let them know about the Club.
